St-Légier-La Chiésaz

Prix de vente : CHF 3'300'000.-

Présentation

This magnificent historic house, superbly renovated, dates from the sixteenth and nineteenth centuries and offers a beautiful view of the heights of Vevey, the lake and the Alps. Located in the heart of the village, it allows easy access to all amenities.

Extending over a little less than 500 m² of useful space, the house is cleverly arranged. The ground floor includes reception areas and an office, while the two upper floors house five bedrooms and suites, including a master suite set up in a former chapel. The basement, with its magnificent vaulted rooms, hosts an amazing room with external access, in addition to the laundry room, a cellar and the boiler room.

The flat plot of more than 800 m² offers several outdoor parking spaces as well as a beautifully landscaped garden.

This property, perfect for a family project, is to be discovered without hesitation
