In the heart of the Geneva countryside, bordered by vast fields, this character property with over 1,500 sqm of usable space offers an exceptional living environment.

Set on a plot of more than 6,000 sqm with an adjoining orchard, this estate comprises several buildings, including a fortified house dating back to the 18th century.

Fully renovated with high-quality materials, this property blends modernity and authenticity, featuring numerous reception rooms connected by a remarkable glass roof, all served by an elevator.

A fully independent caretaker's house with two bedrooms provides additional space for guests or staff.

Its exceptional landscaped garden and the stables, converted into an indoor swimming pool, give this place its unique charm.

Additionally, two garages and numerous outdoor parking spaces complete this remarkable estate.
